1. Business Representation:

All business affairs related to shows are represented by Gabriel Felsberg. Event organizers should communicate directly with Gabriel Felsberg to finalize arrangements.

2. General Performance Requirements:

- Gabriel Felsberg requires a professional and respectful environment for all performances. - All equipment and technical requirements listed below must be provided by the event organizer.

3. Stage Setup:

- A basic stage setup to accommodate musicians.
- Adequate space for all band members and equipment.

4. Sound System:

- Trio Ensemble Setup: Enhanced Clarity PA System
- Quartet Group Setup: High-Performance Stage Sound System
- Full Band Setup: High-Performance Stage Sound System

5. Electrical Requirements:

- Access to AC outlets to power all musical equipment.

6. Audience Capacity:

The quote covers our performance's sound equipment as well. To ensure a high-quality experience, we need the expected attendee count for proper setup.

7. Agreement: By agreeing to host Gabriel Felsberg's performance, the event organizer agrees to provide the necessary equipment and accommodations outlined in this rider. Any deviations from these requirements must be discussed and agreed upon in advance with Gabriel Felsberg.
