EXPERIENCE SERVICE PACKAGES

# CURATED PERFORMANCES

## SOLO MUSICIANS, BANDS & MORE

# 01

### Tailored Live Music for Every Event

Whether you're hosting an intimate gathering or a large-scale celebration, we curate the perfect musical experience to match the mood and theme of your event. From smooth cocktail hours to high-energy dance floors, we've got you covered.

# 02

### Solo Instrumental Sets:

Our solo guitar, piano, or saxophone sets provide light, engaging background music. Picture Jamie Cullum's "Everlasting Love" welcoming guests, setting a conversational mood. We can also transition to interactive karaoke, inviting guests to join the band and sing.

# 03

### Acoustic Duos and Trios:

For a laid-back yet engaging vibe, our acoustic duos or trios deliver soulful, stripped-back versions of popular hits. Think Norah Jones' "Don't Know Why" or John Mayer's "Gravity"—songs that create a relaxed, yet sophisticated ambiance. Perfect for weddings, private parties, or corporate cocktail receptions.

# 04

### Full Band Performances:

When it's time to kick things up, our full band brings the energy. From classics like Stevie Wonder's "Superstition" to contemporary favorites like Bruno Mars' "Uptown Funk," we get the crowd on their feet. With a versatile setlist tailored to your event, our band will have everyone dancing from start to finish.

# 05

### DJ Services:

When the party keeps going and you want continuous music without interruption, our DJs are ready to keep the vibe alive. Specializing in a mix of genres from classic hits to the latest top 40, our DJs create seamless transitions to keep your guests on the dance floor. Perfect for late-night afterparties or as a live band set.

# 06

### Special Musical Requests:

Have a specific song or genre in mind? We welcome custom requests to make your event even more personal. Whether it's a nostalgic throwback for a milestone celebration or your favorite tune for a first dance, we'll make it happen.

# EVENT PRODUCTION SERVICES

## 01

### Seamless Production for a Memorable Event

Beyond music, we offer comprehensive event production services to ensure your event goes off without a hitch. From stage, sound and lighting, we handle the technical details so you can focus on enjoying the moment.

## 02

### Professional Sound Design:

Whether your event is indoors or outdoors, we provide a high-quality sound setup tailored to the space and crowd size. From crystal-clear speeches to immersive musical performances, we ensure every note and word is heard perfectly.

## 03

### Stage & Lighting Design:

Our stage setups create a professional atmosphere, no matter the venue. With customizable lighting options, we can match the mood you want to evoke—from soft, romantic hues for weddings to vibrant, colorful lights for high-energy parties.

## 04

### On-Site Technical Support:

Our team is present from start to finish, handling everything from setup to teardown. We ensure smooth transitions between event segments and are there to troubleshoot any technical issues, giving you peace of mind.

## 05

### Event Assistance:

Beyond the stage, we offer professional event assistance to coordinate schedules, manage transitions, and help guide the flow of your event. We work closely with your event planner or team to ensure everything runs seamlessly, allowing you to enjoy the event without worry.

## 06

### All-In-One Event Production Package:

For those seeking a full-service experience, our all-in-one package includes sound, lighting, stage design, and professional event coordination. It's the ultimate solution for making your event unforgettable.
